

Lily Mitman

## PROGRAMING VICE PRESIDENT 2024-2025

### ABOUT ME

Hi! My name is Lily, and I'm a freshman at Roswell Highschool. I am super passionate about HOTTY, and outside of youth group, you can find me hanging out with friends, working out, shopping, and spending time with family!

### PAST EXPERIENCES

- 2023-2024 TBT Madrichim
- RHS Student Council Historian
- RHS Yearbook assistant editor
- HOTTY extended Leadership
- Jewish Student Union Member

### THE WHY

Being apart of the HOTTY board has always been a dream of mine! Since the moment I joined HOTTY, the board members were people I looked up to and admired. Now I strive to be just like that, and fulfill my dream of being on board.

#### Why programing VP?

I would love to be the Programming Vice president, because I love being behind all of the fun! Organizing and producing the events is something that really interests me. Being this role gives me the opportunity to become more involved in HOTTY, and create new event ideas that people will love. HOTTY to me is truly a family, and I want to make it more enjoyable for everyone! As PVP, I think I will achieve this goal.

### GOALS AND IDEAS

#### Introducing New Ideas

##### Creating fun and enjoyable events

A huge goal of mine for this position is trying out new events that have not been done or have not been done recently. Doing this, opens a whole new world of things HOTTY can do to stay successful throughout this next year. Although it might be a challenge to come up with brand new event ideas, I am the person to change that. I have several ideas and visions for HOTTY this upcoming year!

#### Passion and Commitment to HOTTY

##### Everlasting dedication to this program

I am 100% ready for this year in HOTTY. My biggest goal of all is to make sure not only current members of HOTTY stay committed to this wonderful youth group, but to make sure I stay on top of keeping the events fun and successful.

#### Extended Leadership

##### Getting Involved!

Extended leadership is a huge aspect of HOTTY. It gives members who are not on board a chance to help plan and create the event. This gives HOTTYites a responsibility, that shows what its like to be on board. A goal of mine is to get more people excited about extend leadership, without this nobody would see what it's really like to plan an event. Extended leadership gets HOTTYites excited about being on board and encourages them to express there ideas for events. Another goal of mine is to make sure any person who wants to try planning an event has the chance. I don't want anyone thinking there not worthy of good ideas. I hope anyone who is interested will reach out!
