What Religion in HOTTY Means to Me

Ever since I was rushed into HOTTY back in December of 2022, the religious aspect of HOTTY has always been important to me. My first Havdalah was a moment that was really important to me as feeling that connection with other kids was something fairly new to me and made me feel more comfortable with my Jewish identity. I want to help bring that experience to more of the Hottyites and the incoming class. I believe that Havdalah is extremely significant part of HOTTY as it gives everyone a safe space, this matter because in these times finding a space where you can be openly Jewish and have a ton of other kids your age to support you is hard to come by.
