

Nina Joshua

PROGRAMMING VICE PRESIDENT
CANIDATE 2024-2025

About Me!

Hi HOTTY! My name is Nina Joshua and I am in 10th grade at North Springs High School. Also, I play varsity girls lacrosse for my school. I am an only child and I love to read or hang out with friends. I have been a part of HOTTY for 2 years and I love the community that is built around it.

As a member, the board members ensure that you don't feel out of place, and I would love to have the same opportunity to do the same for others!

Experience!

- Shark Club Board Member (Event Coordinator)
- Camp Jenny Staff-in-Training
- HOSA Representative
- North Springs Jewish Culture Club
- HOTTY Committee
- Varsity Lacrosse

Why?

I would love the opportunity to hold the PVP position because I believe this position will allow me to connect with both the fellow board members and the HOTTYites. As this position asks for getting in touch with members about different extended leadership opportunities, I will be able to socialize and understand everyone's interests which is so special! Also, I believe this position will teach me so many key lessons that will be practical in the future.

My Goals/Ideas!

As PVP, my main goal is to keep all of HOTTY as organized as possible. To do this I would prioritize my time to communicate with all my fellow board members to find the easiest way for everyone to access anything they need for different events. Also, as PVP, a main component is to reach out to HOTTYites for being on planning committees, finding speakers/writers for havdalah, etc. With this being said, I would create a separate form or extend the post-event survey to ask anyone if they would be interested in various leadership opportunities. By doing this, it allows me to understand what people are interested in and I can make sure everyone's voices or ideas are heard.

Extended Leadership!

Going along with the extended post-event surveys, after all the events are planned out, I want to reach out to every member to see what they would be interested in doing. I would note down everyone's interests and reach out to them later in the year for each event. Also, I want to truly encourage every member to step out of their comfort zone by either doing readings or leading events on committees.
